

Mullion Seal • 628 Black

☐ 96" ☐ Other

16350 Asher Avenue • Rosemount, MN 55068 • Phone 800-328-0953

- 1 All self-adhesive weatherstrips must be applied on clean, dry frames between 50°F and 100°F, with end use temperatures between -30°F to 140°F.
- 2 Cut piece of gasketing to height of mullion.
- 3 Attach as shown by removing adhesive backing and pressing down each inch of strip.
WARNING!!! Be careful not to stretch the strip while applying. This may cause the seal to fall off.
